

UNITED STATES INTELLIGENCE BOARD**Office of the Executive Secretary**

12 November 1964

MEMORANDUM FOR THE CHAIRMAN, SIGINT COMMITTEE**SUBJECT: Proposed Amendment to DCID 6/3, Annex E**

1. The attached memorandum on the subject from the Defense Intelligence Agency (DIA), is hereby referred to the SIGINT Committee for appropriate recommendation to the United States Intelligence Board (USIB).

2. It is noted however, that contrary to the statement in paragraph 3 of Admiral Reed's memorandum, there is no current review by the SIGINT Committee of DCID 6/3, such action having been deferred at the request of the DIA Member, SIGINT Committee, on 31 July 1964. A check with DIA action personnel in this connection reveals that they desire consideration of the attached memorandum as a separate action by the SIGINT Committee, and not in conjunction with action on the above mentioned deferred review.
